Questions	Answers	Additional Information
WHO	Mykel	<i>Hawke will teach the basics of primitive survival with a focus on Primitive Hunting in one weekend course that will provide a foundation of skills you can build on the rest of your life. If you only take one proper course on primitive survival hunting in your life, this is the one.</i>
WHAT	Primitive Hunting and Survival	<i>This course will focus on those skills a survivor needs to hunt for food. Subjects to be taught include, principles of traps and snares, primitive tools and weapons, as well as the basics of hunting and stalking. In addition, this is a beginner level course for general survival familiarization, basic skills development, practice & planning. This is meant to be a fun course, there will be no yelling or screaming like the military, the course itself and survival alone are hard enough. KEY: Each Survivor will have a knife BUT it is only to be used to make their PRIMITIVE WEAPON for hunting and for cleaning their food later. The SURVIVOR MUST ONLY USE THE PRIMITIVE WEAPON THEY MADE BY THEIR OWN HAND FROM THE LAND DURING THIS COURSE FOR PROCURING THEIR MEAL.</i>
WHEN	14-16 MAR 2014	<i>This is a short fuse notice due to additional time available before filming and may not be available again for another filming year.</i>
WHERE	Trophy Ridge Exotics	<i>Trophy Ridge Exotics Hunting Ranch has a lovely lodge and</i>

	Hunting Ranch	<p>each survivor gets a bunk in the cabin for Friday night included and they can <u>opt</u> to stay Sunday night (Additional \$100) to recover before traveling as this is highly recommended for safety. A dinner meal is provided Friday night and Sunday evening. Saturday night is in the field in the shelter you make. See site for more: TROPHY RIDGE EXOTICS HUNTING RANCH, 19688 HIGHWAY 146 NORTH, MOSS HILL, LIBERTY, TX 77575 (281) 728.5223 http://www.trophyridgeexotics.com/</p>
HOW LONG	Weekend	<p>This is a weekend course for Survival Training and Primitive Hunting. Plan to arrive Friday afternoon, conduct classroom until late at night, arise early and move to field location to conduct hand on practice.</p> <p>NOTE: We use the honor system, but we will do a general inspection to ensure minimal advantages while in the field. THE ONLY THING ALLOWED OTHER THAN WHAT WE PROVIDE AND THE CLOTHES YOU WEAR, ARE MEDICAL ITEMS FOR HEALTH AND SAFETY.</p>
HOW MUCH	\$1K per Hunter	<p>This includes the room and meals listed, must be paid in full in advance and is mostly non-refundable. We may not offer another class so missing this, for any reason, will preclude the option to postpone to another class, so be sure to arrive alive ready to survive and thrive!</p> <p>NOTE- THIS IS A RANCH FULL OF EXOTIC GAME! YOU WILL BE SURROUNDED BY, SLEEPING, SURVIVING AND HUNTING AMONG AMAZING WILD ANIMALS. NONE ARE PREDATORS BUT THEY CAN BE DANGEROUS. CAUTION IS ADVISED AT ALL TIME AND HUNTER ASSUMES ALL RISKS. THERE WILL BE PLENTY OF SMALL GAME BEFITTING A SURVIVAL HUNTER'S ABILITIES AND NEEDS, BUT SHOULD A LARGER GAME BE TAKEN DOWN, THE STANDARD PRICES FOR T.R.E. APPLY. They can also, process, mount, ship your larger game according to their standard prices in addition to the basic cost of the course.</p> <p><u>NOTE: We work with any and every disability and fitness level but a full medical insurance waiver must be signed by all participants before training, without fail. No refunds for waiver refusals. Waivers are available on line to down load, read, sign.</u></p>
EQUIPMENT		<p>We will provide a basic kit for safety measures only. It is STRONGLY Discouraged to use the kit and instead we ENCOURAGE as much as possible to be self-sustaining off the land. However, The Hunter must evaluate their skills with the primary focus of time management that permits time to hunt.</p> <p>ITEMS PROVIDED: Pack with items, Canteen, Cup, Knife, Spoon, Book, Whistle, Mag Bar, Flashlight, Radio, Strobe light, poncho, liner, water tablets, hammock, cravat, and mini-survival kit, blizzard blanket.</p> <p>ITEMS RECOMMENDED: (These should be pre-purchased before</p>

		<p><i>arriving and may not be for sale during the course)</i> <i><u>Hawke Survival Manual</u></i> (Larger one, not handbook or mini-kit) <i><u>Hawke Tools</u></i>- Fixed Blade, Folding Blade, Hawke-chete, or HASP. Any are good but we recommend only one tool per person. IT is encouraged that all these items provided be purchased and owned by the student prior to coming as a matter of practice to have and own a good basic survival kit for themselves and to get familiar with its contents and uses.</p>
